

Banking Presentation. Wittenberg Manor, Hayward August 22, 2013

CCCF was thrilled to be asked to return Hayward's Wittenberg Manor to present 'Outsmarting Your Bank: Avoiding Hidden Fees.' The staff at Wittenberg Manor contacted CCCF and requested a presentation that would address specific bank fee-related issues that their residents had encountered.

They asked that a Mandarin translator be present to accommodate their Chinese-speaking residents. Not only did CCCF's Outreach Team build a customized presentation for Wittenberg's residents on this topic, they delivered a separate, identical presentation in Mandarin. CCCF speakers performed simultaneous presentations in Mandarin and English.
