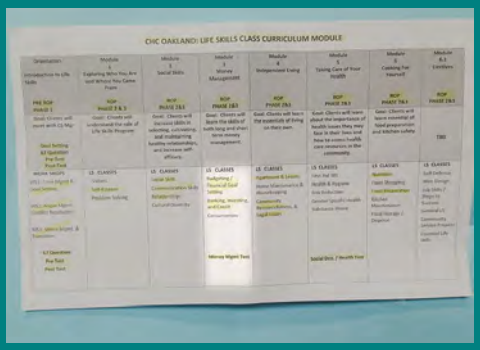
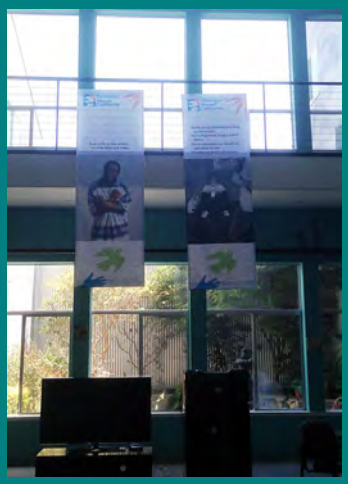
Non-Profit Credit Counseling

Covenant House Site Visit

August 20, 2013



CCCF was part of an AC-OCAP monitoring team site visit to Covenant House California in Oakland. Covenant House California (CHC) is a non-profit agency whose mission is to reach out to at-risk homeless youth living on the streets, and offer them opportunities to turn their lives around.



The Oakland location is a residential facility providing food, clothing, and shelter. Participants in CHC's program go through a three level system, that helps them transition to supporting themselves and living independently. CCCF is committed to fighting poverty, especially in our community. Organizations like CHC embody the spirit of community improvement through action and education.
